

Introducing our new dentist

Marianne is welcomed to our team

We are delighted to introduce you to our new dentist, Marianne Lowe.

Marianne qualified from Leeds Dental Institute in 1998. She has previously worked within hospital and community settings, treating the homeless, special needs and oral surgery cases. She most recently worked within private practice in Derby.

Marianne takes a keen interest in working with phobic patients and children, building trust and confidence and enabling them to accept dental treatment. She enjoys cosmetic dentistry and is proficient in oral surgery.

Marianne lives in Nottingham with husband, two children, Edie and Ted and Mabel their miniature labradoodle.

During her spare time, Marianne enjoys the great outdoors and the perfect day for her would be walking in the countryside or rock climbing.

She is very much looking forward to joining the Tutbury team and meeting her patients.
